WHAT'S NEW?

Now Arriving — First Class on US Airways Express

THIS FALL, WE'RE ADDING FIRST CLASS TO 110 US AIRWAYS EXPRESS REGIONAL JETS.

In all, we'll outfit four fleets: our Embraer 175 and 170 fleets and Canadair Regional Jet 700 and 900 fleets. The Embraer 175s and 170s are almost done, and all four fleets will be completed by January 2012.

As we complete each fleet, we'll offer First Class seats for sale and unlimited Preferred upgrades. Each updated Express aircraft will offer a dedicated First Class cabin. Seats are in a 1-2 configuration with generous legroom and personal space.

When we're all finished, we'll offer seamless, same-class service to over 85 more destinations and complimentary Preferred upgrades on 640 more flights daily.
