Sales Growth

Ever since our company began using PC Tutor to help new employees get up to speed with Microsoft Office, we've experienced a dramatic increase in productivity and sales revenue. PC Tutor software actually makes learning an enjoyable experience, and our employees particularly appreciate the high level of interactivity it provides.

Learning to master the latest versions of Microsoft Word, Excel, PowerPoint, Access, and Outlook is a daunting prospect. Many of the features are hidden, and it's difficult to learn. But with PC Tutor, the learning process is never been so easy. The only thing that sets PC Tutor apart from other software is that it fully meets
