The Ultimate Collection

The Ultimate Collection is a tribute to our customers who are looking for a low maintenance, high quality product. This product category is defined by its blended 60/40 Polyester/Cotton fabric. This poly-rich fabric makes the product nearly impossible to shrink or wrinkle. It is best known for its "spit wash" benefits – wash it, dry it, wear it. This durable fabric is perfect for special treatments such as sublimation, dyeing and burn out. It's washability factor is extremely popular with young adults and those with active lifestyles.
